## Welcome to Blessing in Disguise's November issue

'Blessing in Disguise' was established in 2013 in Lancashire and operates from a small donated office in the outbuilding with minimal overheads.

Blessing in Disguise is not-for-profit organisation with the emphasis on creating a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and providing a range of life enhancing experiences with a significant impact in improving the quality of life for the families and carers of disabled, disadvantaged and terminally ill children and young people between the age of 0-19 years.

Socially responsible organisation helping and supporting via a free service providing themed breaks, planned activities and promote and provide social and recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out due to concentrated focus on the disabled child or young person with a life-limiting illness and we will endeavour to encourage them to reach their potential.

**"Creating positive changes to improve life's misfortunes,  
everyone deserves a blessing in disguise"**
