

SUPPORT

We need your support to help us to provide the much needed specialist equipment and activities for the children and young people with disabilities or life limiting illnesses.

Thank you to all our donors for your kind generosity. Enquiries are always welcome from any organisation or individual who would like to support our charity or anyone who feels that their child may benefit from our services.

Everyone deserves a Blessing in Disguise....

Blessing in Disguise Children's Charity is a not-for-profit organisation that enriches the lives of disadvantaged children and young people throughout the UK.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and provides a range of life enhancing experiences helping to improve the quality of life for children and young people with disabilities or life limiting illnesses.

*Blessing
In Disguise*

We are a socially responsible organisation, providing much needed support to many children, young adults & their families / carers by providing, free of charge, a range of life enhancing equipment, activities and social/ recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to increase the number of vulnerable people that we support each year, providing much needed equipment to more families across the UK and making a significant difference.

What we do...

We fundraise all year round to provide much needed support to children & young people, their families/carers by:

- Providing FREE specialist equipment
- Organising VIP Exclusive & Inclusive events & fun activities
- Working in partnership with other community groups & charities
- Creating treasured memories
- Promote social inclusion by hosting networking coffee mornings

The charity has recently received an application to help 16 month old Sauda. She is diagnosed with ASD, Lung damage and low muscle tone. Sauda requires a Specialist postural safety seating system for her regular hospital appointments. The seat will meet her postural and support needs while not interfering with her attached medical equipment.

When the Circus came to town..

With your kind support, Blessing in Disguise have provided the following equipment/services:

Various equipment for the home; various bedroom furniture; specialist beds & bedding; various safety equipment; special needs wheelchairs, buggies & accessories & high chairs; Easter eggs & toys; dark dens & sensory equipment; communication aids; wheelchair covers & foot muffs; ICE badges, lanyard and wristbands; safety aids & monitoring equipment for autistic children with epilepsy; 'Swim-Ability' disabled swim therapy sessions; family respite breaks, , family days out & tourist attractions, specially adapted fun fair and exclusive access for disabled children.. plus much, much more...
