Everyone deserves a blessing in disguise....

Blessing in Disguise is a UK based not-for-profit organisation created to enrich the lives of disadvantaged children and their carers.

Blessing in Disguise creates a positive focus on enabling freedom to enjoy treasured memories to share with family and loved ones and providing a range of life enhancing experiences with a significant impact in improving the quality of life for the families and carers of disabled, disadvantaged and terminally ill children and young people between the ages of 0-19 years.

Blessing in Disguise

We are a socially responsible organisation helping and supporting lots of children and families by promoting and providing free equipment, activities and themed breaks and social and recreational opportunities for the whole family. Through personal experience, we know that it can often be difficult on other family members, who perhaps unfortunately miss out, but we will endeavour to encourage them to achieve positive changes. With the right funding we have the potential to help many more children, their families/carers, providing much needed equipment to more families across the UK.

What we do...

- Provide much needed support for children, their families and carers
- Holidays / Respite
- Equipment
- Events / Fundraising
- Fun activities
- Community Involvement
- Treasured memories

Blessing in Disguise has just appointed Mr Arthur Silcock of A L Silcock's Fun Fairs of Warrington as their Patron. We have had two fabulous events for hundreds of terminally ill, disabled and special needs children this year. We have been overwhelmed with all the lovely feedback that we have received from all the children and families who joined us at our latest event on 18th October 2014.
